## Kia ora tatou

The school year is over. NCEA is finished and we await results. It was pleasing to hear the examination centre supervisor, Jose Fitzsimmons, say that she thought the kids were great and easy to manage. I hope it is reflected in great results. We have all worked hard this year. Junior last week activities have been hectic but rewarding. The senior ball was a lovely event. Courses for next year are sorted for most students. There are some seniors whose combination of courses cannot be met but we still hope to sort these so that acceptable options can be agreed.

The annual prize givings, both senior and junior, are a rewarding way to end the year. It is a real joy to celebrate students' success with family and friends. We acknowledged academic excellence across the school.

Our top scholar - Dux for 2011 and winner of the Cousins Award is **Felix Borthwick**, runner up and winner of the Hankins bequest is **Sam Metcalfe**. At High we have a number of excellent academics who come close to being Dux and we like to recognize them with the Principal's Prize for academic excellence. This year winners are; **Tony Butler-Yoeman**, **Monique Hodgkinson**, **Imogen Holmstead-Scott** and **Helen Ker**.

The two other major prizes for school service and contribution were awarded to **Troy Ruhe** - The Wellington High School Peace Prize and **Bryn Hickson-Rowden** - The Tusha Gupta Award for All-Round Achievement.

The Deans' Awards for all round participation and excellence awarded by each Dean to their year level went to Y13 **Caitlin Daugherty-Kelly**, Y12 **Oscar Battell-Wallace**, Y11 - **Merinda Jackson**, Yr 10 - **Sasha Kapica**  
Yr 9 - **Tess Breitenmoser**

We also acknowledged enhancement of the school's mana by the group who were runners up in the International Young Physicists Tournament; **Mitchell Reid-Tait**, **Conor Ivory**, **Lily Mason**-

**Mackay and Maia Holder-Monk**, with the Parents' Association Prize, a picture which remains in the school.

Each of these ceremonies was well attended by parents, caregivers, siblings and peers. The senior prize giving was outstanding and a tribute to the maturity of our students who are able to respectfully appreciate the achievement of other yet obviously enjoy the occasion.

Jane Smiler is retiring this year. She has been here since 1987 when she won the position as assistant Head of English. Over the years Jane has made a huge contribution to High in the classroom as a superb teacher and beyond by doing the school magazine for years, the school timetable, Yr 12 Shakespeare day and more recently made a huge contribution to Learning to Learn and Building Learning Power resources. Jane, you are a highly professional teacher and you and your institutional knowledge will be missed.

I too am retiring and this is my 136<sup>th</sup> and final newsletter. I have always tried to keep the school focused on the kids and provide an education that equips them for their future while at the same time recognizing that each of them is a valuable individual with skills and feelings that must be nurtured. I hope you feel we have done that for your child and that High is not just a factory - force feeding for exams - important as they are. I go with few regrets and a lot of fine memories of amazing students and staff.

I have just received news that we have received a \$365,000 grant from the New Zealand Lotteries Grants Board to upgrade the lights, sound, projector, stage etc of the Hall. I'm a bit sad I won't be here to do the work. We **really** need donations to help with the chairs now! Please!

I hope you all have a peaceful festive season. Have a corker holiday with your corker kids and I hope the new boss is corker too.

**Ka kite ano**

## From the Board of Trustees

Huge congratulations to Prue, who last month received an award for Distinguished Contribution to College Sport Wellington and the NZ Secondary Schools Sports Council, and then capped this off by winning the award for Wellingtonian of the Year in the education category - thoroughly deserved; you made us all very proud Prue. And further celebrations were held last week when Mayor Celia Wade-Brown and Molly Tindill, daughter of the late Eric Tindill, officially opened the new Eric Tindill Sports Centre.

With much sadness we also farewell Prue in this newsletter, after 17 years of incredible service and visionary leadership here at High. Prue's contribution and commitment to Wellington High School and its community have been outstanding. We want to pay tribute to her incredible dedication and care of the school and everything it stands for, her tireless hours of work and her ability to make things happen, and her loyalty to staff and students. She has been a great Principal and a highly effective manager for successive Boards to work with. We wish Prue a rich and enjoyable retirement. Arohanui Prue.

We hope that all families and whanau received an email about the new Principal. We are pleased to announce the appointment of Nigel Hanton to the position and welcome him to Wellington High.

Nigel is currently the Principal at Wanganui High School. Nigel has been the Deputy Principal at Mana College, then Principal at Flaxmere College in the Hawkes Bay, followed by his appointment to Wanganui. Nigel holds a Bachelor of Teaching and Learning and a Post Graduate Diploma in Educational Management. He will take up the position in early March 2012. Dominic Killalea will be Acting Principal from the start of the year until Nigel begins.

### Policy regarding Junior School examinations and reader writers

As the Year 10 examinations approach the Learning Services faculty is sometimes approached by parents who seek reader / writer support for students who have weak skills of literacy. All senior students with a specific learning difficulty are provided with Special Assessment Conditions (SAC) in National Certificate of Education of Educational Achievement (NCEA) exams. A SAC may be any one or a combination of these conditions:

separate accommodation, a reader, a writer, a reader and writer, and access to a computer (for word processing).

Every year we apply to the NZ Qualifications Authority to have Special Assessment Conditions for students whose specific learning difficulty has been identified and monitored in Tukutahi classes.

However, we do not provide SACs for students until their Year 11 programme is under way. The reasons for this are two-fold. Firstly our resources are such that we can only support students in “high stakes” assessments. Secondly the end of year examination can be used to signal that a student should seek SAC the following year. Exam papers can be used to support an application for SAC to the Qualifications Authority at the beginning of the NCEA year.

Parents who would like to explore provision of SACs in 2012 should contact the Dean for further information.

### Opening of Eric Tindill Sports Centre

The new gym was officially opening on Wednesday, 30 November by Celia Wade-Brown, Wellington's mayor. The new gym has been named the Eric Tindill Sports Centre in honour of Eric Tindill, a former student of Wellington Technical College who was both an All Black and a Black Cap. The facility was blessed by Matua Bill Herbert and Eric's daughter Molly was able to attend.

## Faculty News

### Library News

We thank all the students who returned their library books and the caregivers who assisted us in getting books returned. We hope that all our community will find lots of good books in their Christmas stockings.

This term we have celebrated the two winners of our 2011 poetry competition. **Sienna Kelly's** *I'm Watching You* and **Caleb McGarvey's** *The Grave Digger* were the successful poems. Sienna is a year 10 student and Caleb is a year 13 student. A small ceremony was held to mark these new additions to the level 4 linkwell Writers and Artists walkway.

Sienna Kelly and Caleb McGarvey

At the end of last term we held a lunchtime *Meet the Politicians* event in the library. We were rather overwhelmed by the high level of student interest in this event as over 100 of them crammed into the library to listen to the politicians' brief political speeches before launching into questions. The debate continued outside the library at the end of the lunchtime as we had classes arriving. Many media commentators have been saying young people are not interested in politics but the numbers attending our *Meet the Politicians* event disproved that claim. This was a very successful activity and one we will certainly repeat in three years time.

## SCPS Junior Outreach Programme

Sylvia Thomas Edmond, Lucy Brewerton, Zoe Isaacs, Sasha Kapica, Sheryl Wong, Eleni Hackwell, Stanley Sarkies, Frank Thrift, Luke Porteous, Charlie Hard, Arlo Heynes were chosen to spend the whole of November 15th at a Year 10 Nanotechnology Discovery Day.

The aim was to engage able year 10 students in some cutting edge science experiments in the area of nanotechnology and encourage them to see the potential of science in solving some of the big issues that face the world today.

The students worked in three different laboratories to look at nanotechnology in different areas of science that link to physics, chemistry and biology contexts. During the day there were also seminars from University researchers and post graduate students. Students from 18 schools attended the programme over three days.

Further information about the programme is available on the website:

### Careers and Gateway

With the exams now over and junior school winding down for 2011, we would like to take this opportunity to let you all know how well this year has gone. We had 34 students in placements on the Gateway programme and a few of the placements have led to part time and holiday work. Our year 13 students have left us armed with as much knowledge and advice as we could give them, some to tertiary education and others to work. We wish them all the best in their endeavours and know that they will do well in whatever they take on.

We would also like to take this opportunity to thank all the fantastic employers and businesses, without whom we would not be able to continue the Gateway Programme. We look forward to working with them again next year and encourage you to support them in their businesses. We have listed them below for your information.

If you have a business and would like to support the Wellington High School Gateway Programme next year, please feel free to contact Pania Bennett [Pania.Bennett@whs.school.nz](mailto:Pania.Bennett@whs.school.nz). We would love to hear from you.

## Matiu/Somes Island Treasure Hunt

Matiu/Somes Island is the jewel in the crown of Te Whanganui a Tara/Wellington Harbour. Last week on a gloriously fine Wednesday the peaceful charm of our nearest offshore neighbour was interrupted by WHS year 9 Enrichment Class. Nineteen hardy students braved the giant jellyfish, the worrisome wetas and the timid tuatara to hunt for treasure (the knowledge kind) on the island. Leaving only their footprints but taking a swag of photos (some you see below) they raced all over the island competing against each other and the tide and time to find over 25 living treasures. They 'captured' their finds, memories and views on digital cameras and cellphones.

At the end of the hunt it was down to two teams who were locked on 24 points each. The girls were represented by Maggie Blackburn, Bea Cook, Tess Breitenmoser and Zoe Corrin in one team and the boys were Christopher Veitch, Walter Ellis and Josh Richards-Wylie. After digital evidence was presented and time pieces consulted, we crowned the girls team as worthy winners of the first annual Somes Island Treasure Hunt. Thanks to Shelley Monds, Julia Stephens and Tony Cairns for accompanying the students and helping them to discover an exciting way to find out more about our nearest island neighbours.

## Welliwood rises anew at WHS

Parents and caregivers of Year 9 students joined us in an afternoon of viewing and experiencing their children's work from the last term. Welliwood, the miniature town created through the Mathematics faculty from hundreds of detailed and scale model buildings, was a highlight. Covering six tables with panels on walls and doors it showcased the detailed work of hundreds of students. Rileyville, Kelly Town and the Royal Chambers featured in the side rooms off the main Level three concourse. Parents agreed that it was a great showcase of student work from Term Four and all were intrigued by the tiny models, proud students and digital records.

## Administration Notes

A reminder that all visitors to the school must register their vehicles at the main reception area. Otherwise, they could receive a fine of \$50.

Lockers will be on sale from the 1st Feb at \$10 each - each student will be issued with their own individual padlock, which in turn needs to be returned back to Student Services towards the end

of the year.

ID cards can be ordered at Student Services - \$10 for a standard school ID or \$20 for a Snapper school ID - this can be done after school photos and ID photos are taken. Dates to be advised when this will be happening.

### **Simply Dental free Dental Service for Schools**

**Simply Dental** provide a free dental service to all students at Wellington High School. They have been providing this service to students at Wellington High since mid 2010 and have reached 460 of our students to date. Their programme includes a full dental assessment that includes digital x-rays. If treatment is required and the student is under 16, they will ask for consent from you then transport the student to and from their facility in town. **If you would like to opt out of your student receiving this service, please email [admin@whs.school.nz](mailto:admin@whs.school.nz) .**

*College Sport Wellington Sportsperson of the Year Awards 2011*

### **Prue Kelly – Distinguished Volunteer Recognition**

At the College Sport Wellington Awards Dinner held at the Amora Hotel on November 6 Prue Kelly was recognised for her contribution to College Sport.

Prue Kelly began her Principalship at Wellington High School in 1995 coming from Birkenhead College in Auckland and in 1997 assumed the role as Chair of the College Sport Wellington Principals Executive, where she has remained a member since. Additional to this and the responsibilities of managing and effecting change at a large metropolitan school, Prue in 2003 also assumed the Chair of the relatively newly established New Zealand Secondary Schools Sports Council where she, along with its then Executive Director Peter

Sharp, lead its development and delivery to all secondary schools of the country over the next 5 years. Prue's commitment to affect change not for change's sake but for the cause it represents, her candidness and her leadership in both education and in sport has been something this region has been privileged to have experienced over the last 17 years.

### **College Sport Wellington Sportsperson of the Year Awards**

Wellington High School had 3 finalists in the 2011 awards. Our finalists were:

Richard Steel - Coach of the Year

Izaac O'Hara - Futsal Player of the Year

Henry Tutaka - Service to Sport

*College Sport Wellington Sportsperson of the Year Awards*

### Girls' Volleyball Successes

Congratulations to the Senior and Junior Girls volleyball teams who have both had exceptional term four competitions. Both teams met Well Girls in their finals and both finished as WINNERS of the College Sport Wellington Senior and Junior Division One Championships. Congratulations and huge thanks to the team coaches for their large part in these results. Senior girls – **Natalie Bell**, Junior girls – **Corrina Faimalo**.

### New Zealand Skate Champs

Three Welly High students recently competed in the NZ Skate Champs with some excellent results. Congratulations to:

### Kapiti Sports Exchange – Central Six

Wellington High was invited to participate in a Central Six Sports Exchange on November 25. This was full day competition between six secondary schools, girls and boys across 4 sports. The schools were Taradale High, Havelock North, Wanganui High, Tawa College, Kapiti College and Welly High competing in athletics, tennis, touch and volleyball.

51 students from Well High travelled to Kapiti College along with staff **Bharat Pancha, Tim Gibbs, Susie Cottrell and Di Jordan**. This was a fantastic day of competition. Our students were great ambassadors and they provided some very tough games for the opposition.

## AFL Tournament

On 10 November Wellington High School hosted the 2011 Hawks Cup AFL tournament played between 5 colleges. We had a group of 20 boys practising regularly to prepare and then compete in the tournament. This is the second year Hawks Cup has been held in Wellington and it was great to see the tournament grow significantly in size.

## College Sport Wellington AWD Swimming Championships

Wellington High took a team of kids from Base One to compete in the annual AWD Swim Champs. Special mention and congratulations go to **Elizabeth Davis, Dom Faherty and Matthew Di Leva** who achieved the following results.

## Staff vs Students Cricket Game

This was played on the WHS home ground at Happy Valley Park on a very pleasant early summer evening. There were some excellent performances on the day with special note of the batting performance from Sean O'Connor reaching 50 (even if he did turn his back on his colleagues and play for the students), Laurie Steel hit the cover off the ball and nailed the best six of the day as well as delivering an outstanding bowling display. Laurie was the only player to bowl a maiden over. Dom Killalea showed his youthful talent with the bat and as opener for the staff set things off on a great track. He wasn't half bad with the ball as well but it would have to be said that the ole bowling arm had a struggle after a good bicep pull. Great batting was also seen from Little Steel, Mike Nahu and Richie Brown and top bowling from Mike Davis. The rest of us were also in fine form. Did I say who won? Down to the last ball of the game, students batting, 2 runs needed from 1 ball.

Look around, where are the cameras? Damn it, they got them. A victory by one run to the students. Wait for the return game in 2012!

## 2012 Sport and Cultural Opportunities Booklet

This booklet which is filled with information will be included in the final mail out to all students at the end of the school year. It is easy to notice with a bright red cover. Thanks to Oscar Battell-Wallace and Merinda Jackson for collating the cultural opportunities part of the booklet.

- Summer sport registration close on **Tuesday, 7 February**
- Students wanting to play summer sport must register. Be aware that team entries will be made based on registrations received. There is very little time for mucking around.
- Do not hesitate to seek more information. Contact details are in the Sport Booklet.

## Sport Shirt

The WHS sport shirt is available for purchase at Student Services for **\$40.00**.

This shirt is required for a number of sports (see the Sport Booklet) and can be used for a variety of sports and PE if you wish.

## Return of WHS Sports Uniforms

Numerous student still have sports shirts from this year or earlier years. These shirts belong to school and it is critical that they are returned. Without them we do not have enough for next year's students. Do the right thing.

## Sports Captain Applications

Applications will be sought very early in 2012 for Sports Captains. Look out for information and application forms.

## WHS student participation in sport

The annual NZSSSC census report has recently been completed. Welly High has 48% of our students participating in sport (53% male, 42% female). While we held the participation level of 2010 in a year with only one gym, this is somewhat lower than the Wellington average. Of concern is the low percentage of girls participating in sport and this issue will be addressed next year. Your thoughts and interests will be sought. Start thinking about what it is you would like to do next year.

## THANK YOU

I would sincerely like to thank every individual who has in any way contributed to the 2011 sports programme at Wellington High. Your involvement has most definitely had an impact and contributed to our successes and the enjoyment of sport experienced by our students.

I look forward to a continued relationship with many of you in 2012. To those moving on I wish you well. To all I hope you have a fabulous summer. See you next year.  
Feliz Navidad
