Dear Parent, Whānau and Caregivers

To help your student make smart course choices for 2018, Wellington High School will be running a Future Focus Evening on the 4th September. To ensure they get access to the information they need, each Learning Area will be allocated a room over two levels of the main block of the school. In those allocated rooms:

- There will be 15-minute rotations that will begin with a short presentation by the HoF about the Learning Area and the course selections available.
- This will be followed by some time for questions and answers. At the end of the 15 minutes, the presentations will begin again.

This means there will be ample opportunity to hear from all the faculties of interest to your student in the order that best suits you.

To find your way to the rooms being used you will need to head towards the main reception at the school and then descend the stairwell to your left. This will take you to Level 4 and Level 3.

Level 3	Level 4
M305 - Mathematics	M405 - Learning Services - available - no session
M306 - Arts	M406 - Social Sciences
