

Kia ora Year 9 & 10 whānau and friends,

As this school year draws to a close, I wanted to highlight the changes for the last week of school, week 9, Monday 7 - Friday 11 December

Short courses Monday 7 December - Wednesday 9 December

WHS will be running short courses for Year 9 & 10 students. Students will participate in two short courses of their choosing per day. Please note that some students will be away on a tramp from Monday - Wednesday.

School will begin at 9am each day and finish at 3pm. Lunch will run from 12noon - 1pm. The canteen will be open so students are able to purchase lunch on these days. Buses will run as normal. Please notify the WHS absences line if your student will be away from short courses at any point.

Year 9 Beach Picnic - Thursday 10 December

Further to the email sent by Edward Meredith on 2 December, please note that if this event needs to be cancelled because of poor weather we will send a notification via email, School app and the WHS website. In this instance we will have a day of activities at school instead.

Year 10 Rōpū Day - Thursday 10 December

Your student's rōpū teacher will have been in touch with you about the arrangements for Thursday's rōpū day. Each Herengatahi has its own plan of activities for the day.

Prizegiving - Friday 11 December

Students should arrive at school at 8.45am and go to their timetabled rōpū classrooms where they will meet their rōpū teachers. Prizegiving will begin at 10am in the Riley Centre and end at approximately 12 noon. Students will be farewelled for 2020 at this point and be allowed to leave school for the year!

Tomorrow morning emails will be sent home to let prize winners' whānau know that they are receiving a prize. All junior students will attend the prize giving ceremony and friends and family are more than welcome to attend as well.

Final reports will be available through the portal at the end of term.

Please contact your student's rōpū teacher if you have any further questions about how next week will run.
