

WELLINGTON ENGINEERING E2E DAY

Aim: Our Engineering E2E Day will connect your students with professional engineers from the industry across multiple disciplines e.g. civil, mechanical, electrical. The E2E event will enable students to gain insight into career opportunities in the industry, employer perspectives of what skills and attitudes are needed and engineering courses and pathways available through WelTec for students who are wanting to pursue a career as an engineer.

Students will have the opportunity to tour 8 of 12 WelTec engineering laboratories and see demonstrations. Students may be able to experience all 12 lab demonstrations if they arrange to stay on campus for longer.

Provided by EMS and WelTec: Insightful conversations, demonstrations and laboratory tours, prizes for students and engagement opportunities for careers staff. Limited transport funds may also be available (please request ASAP if required from Adrian Ferguson – Senior Lecturer on 021 134 9275),

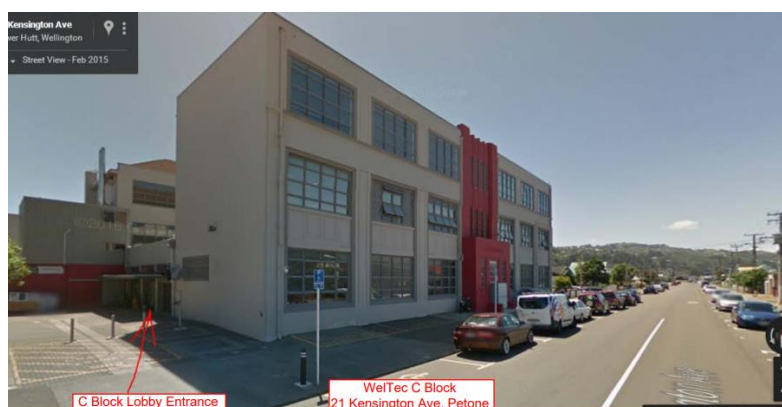

Date: 24th February 2021

Time: 10am – 12:30pm

Location: WelTec Engineering School, 21 Kensington Ave, Petone

Meet in the C Block Foyer near the pedestrian crossing at 9.45am for 10am start

Link to Map & Directions: <https://moodle.weltec.ac.nz/mod/resource/view.php?id=214277>

WORK EXPOSURE
WORK EXPLORATION
WORK EXPERIENCE

School Attendees: 120 students from 12 Wellington high schools in groups of 12

Industry Attendees: 12+ Engineering employers and young professionals from all disciplines including civil, mechanical and electrical engineering.

EVENT SCHEDULE

TIME	ACTIVITY
9:45am – 10am	All students on campus at WelTec
10am – 10:15am	Karakia and Opening Speech
10:15am – 12:15pm	8x 15 minute engineering laboratory and activity rotations
12:15pm – 12:30pm	Closing Speech and Q&A
12.30pm	Finish (unless groups arrange to stay for longer)
