

Future Focus Evening - Monday 17 August

If we are back at Alert Level 1, the Careers Expo and Future Focus evening will run as follows:

There are two main parts to this day:

1. Visit the Careers Expo in the Riley Centre

There will be an adjusted timetable this day with a 12.20 lunch hour, to allow students to visit the Careers Expo in the Riley Centre during 1.20-3.20 at scheduled year level times. These are:

Year 11: 1.20-2.00

Year 12: 2.00-2.40

Year 13: 2.40-3.20

The Careers Expo will remain open until 4.15 so that students can look through it with their whanau.

2. Future Focus - M Block Levels 3 and 4

This involves presentations from different learning areas and a number of additional information sessions, all offered on a 15 minute rotation basis. Most learning area presentations have the following format:

- a short presentation by the Head of Faculty about the learning area and the course selections available.
- some time for questions and answers.

Room allocation:

Level 3

M305 - Mathematics

M306 - Arts

M307 - Physical Education and Health

M308 - English

M309 - Languages

M310 - Arotahi (3.30-4.00pm only for our current Arotahi class).

Level 4

M406 - Social Sciences

M407 - Science

M408 - Technology

M410 - Learning Support available - no session

M409 – How NCEA works

If we are at Alert Level 2, this will be an internal event for students in Years 11 and 12 only. Unfortunately parents and caregivers will not be able to attend.
