Promoting WHS values of Whānau and Excellence: To promote our school values of Whānau and Excellence we want to create more time for students to build relationships with their peers/teachers and to have more focus on learning. This means, students' mobile phones and ear buds must be in the student's school bag during class time. There are noted exceptions for individual learners with assistive technology needs and some specific learning activities. Whānau are asked not to text or phone students during class time and in an emergency they should contact Student Services.

Communication: A lot of our communication is by email. Please let us know if your email address changes. For full information on the ways we communicate with home, see this link on the school website See <https://www.whs.school.nz/communications-with-whs/>.
