Timeline for making your decision

Monday 17 August 2020	Future Focus Evening
Friday 21 August 2020	Preliminary course decisions made
Friday 4 September 2020	Learning Conversations
Friday 25 September 2020	Final course decisions made for 2020

Your study pathway

What level are you heading into? What are your study requirements and what programme will suit you best?

Start here:

What year level will you be entering in 2021?		
Year 11	Year 12	Year 13
<p>You study SIX Level 1 courses</p> <p>You <u>must</u> study NCEA Level 1:</p> <ul style="list-style-type: none"> English or Classics and/or Māori Mathematics / Numeracy and any four others 	<p>You can choose FIVE or SIX courses OR you might choose a Trades pathway</p> <p>You can choose Level 2 or a combination (usually Level 1 and 2 courses).</p> <p>You are <u>strongly advised</u> to choose English or Māori.</p>	<p>You can choose FIVE or SIX courses OR you might choose a Trades pathway</p> <p>You can choose Level 3 courses or a combination of Levels 1, 2 or 3.</p> <p>If you plan to head towards a tertiary degree, you will study at Level 3</p>

How to make your choices

Choose courses that

- suit your needs, interest and abilities
- will allow you to succeed at that level - check the entry requirements.
- will support your future study.

If English is your second language, you may wish to choose an English Language course.

How the course codes work

<ul style="list-style-type: none"> • The first digit indicates the year level you are at: <ul style="list-style-type: none"> ◦ 1 = Yr 11, 2 = Yr 12 & 3 = Yr 13 ◦ 0 = multi-level, Yr 11, 12 or 13 • The second digit is the NCEA level the course is at: <ul style="list-style-type: none"> ◦ 1 = NCEA Level 1, 2 = NCEA Level 2, and 3 = NCEA Level 3. • The third digit indicates the NQF level the course leads to <u>next year</u> 	<p>Examples:</p> <ul style="list-style-type: none"> • NUM112: Numeracy Y11, working towards NCEA level 1 qualifications, leading to NCEA Level 2. • ENG223: English Y12, working towards NCEA level 2 qualifications, leading to NCEA Level 3 courses • APT335: Art Painting Y13, working towards NCEA level 3 qualifications, leading to university art study.
---	--

Courses will also show if they offer: Literacy, Numeracy, Course Endorsement, University Entrance requirements, and/or Scholarship.

Course donations: A number of courses available at Wellington High School have donations attached to them. We do our best to ensure that these costs are accurate but occasionally these may need to be adjusted after publication. These donations enrich your learning experience and allow us to provide a diverse curriculum. Your financial support of these programmes is greatly appreciated.

YEAR 11

In Year 11, you generally study at **Level 1** on the National Qualifications Framework

To gain NCEA Level 1, you must achieve:

- **80 credits** at Level 1 or above, of which
- 10 must be Numeracy credits and 10 must be Literacy credits

Two pathways to Senior School:

1. You begin to study for NCEA Level 1. Note that some courses have entry requirements.
2. Some students may be invited to join our Arotahi programme: This offers English, Mathematics and Science, plus three other courses of choice.

Think about what you might want to choose at Level 2 in Year 12

Most Level 2 courses recommend that you have studied the subject at Level 1. So, look at Level 2 courses you might be considering and check the entry requirements as you plan your course.

Use the planning page to help you plan your programme for next year and to look ahead to the following year.

A member of staff will discuss your programme with you before it is finalised.

We will do our best to offer all courses in this booklet. We may not always be able to give you your first choice if there are staffing or timetable constraints.

YEAR 12 AND YEAR 13

In Year 12 and 13 you choose a programme that prepares you for your future after school.

<p>To gain NCEA Level 2, you must achieve 80 credits, of which</p> <ul style="list-style-type: none">• 60 must be at Level 2, plus• 20 from level 1 or above, plus• Level 1 Literacy and Numeracy	<p>To gain NCEA Level 3, you must achieve 80 credits, of which</p> <ul style="list-style-type: none">• 60 must be at Level 3, plus• 20 from Level 2 or above, plus• Level 1 Literacy and Numeracy
--	--

As you choose your programme:

- Note that there is a wide range to choose from at different levels. You can take any course for which you meet the entry recommendations. You may want to pick up new courses to broaden your education.
- Map your pathway through the senior courses, choosing for 2021, thinking about 2022 and 2023.
- University Entrance is more than simply achieving NCEA Level 3. Look at the rules on page 10.

Entry requirements

Most Level 3 courses have entry recommendations. Merits in Level 2 will ensure entry to and success in Level 3 courses.

If you have not met the entry recommendations for a particular course you will need to:

- **either** be given special permission by the Head of Faculty to do the course (in some cases holiday tasks will be set)
- **or** be required to do courses which will enable you to meet the entry recommendations the following year.

A member of staff will discuss your course with you before it is finalised.

NATIONAL QUALIFICATIONS & NCEA

The National Certificate in Educational Achievement (NCEA) is part of the National Qualification Framework. The aim of this framework is to give every person the chance to receive national recognition for their skills and qualifications and to provide opportunities for ongoing learning.

Y11	Level 1	National Certificate of Educational Achievement Level 1
		National Certificate of Employment Skills;
Y12	Level 2	National Certificate of Educational Achievement Level 2
Y13	Level 3	National Certificate of Educational Achievement Level 3
	4	National Certificate
	5	Certificate Diploma
	6	Certificate Diploma
	7	Graduate Certificate Graduate Diploma Bachelor's Degree
	8	Postgraduate Certificate Graduate Diploma Bachelor's Honours Degree
	9	Master's Degree
	10	Doctoral Degree

NCEA is a qualification that confirms that you have achieved a broad general education. It recognises your sustained effort over a number of years, and is achieved by meeting or exceeding standards and earning credits at school.

NCEA is achieved from Achievement Standards / Unit Standards. A typical Achievement Standard:

.... is worth a certain number of credits (e.g. 4)				
...may be an internalor external assessment		
...and offers four grades:	Not Achieved	Achieved	Merit	Excellence

Note: Most unit standards only offer Achieved or Not Achieved grades.

Endorsements

- **Certificate endorsement:** For an NCEA certificate to be endorsed with Merit or Excellence, you must gain 50 credits at Merit or Excellence at the level of the certificate or above.
- **Course endorsement:** Course endorsement shows you have performed exceptionally well in *an individual course in a single school year*. A course endorsement is not a qualification. You have to achieve:
 - 14 or more credits at Merit or Excellence, and
 - at least 3 of these credits from externally assessed standards and 3 credits from internally assessed standards. *Note, this does not apply to Physical Education, Religious Studies and Level 3 Visual Arts.*
- **NCEA Level 2** has vocational pathway endorsement. See www.youthguarantee.net.nz for information.

At High, we prepare you for NCEA as follows:

- The courses described in this booklet all lead to NCEA.
- Nearly all courses offer credits and are assessed through Achievement Standards with internal or external assessment and/or Unit Standards with internal assessment.
- Courses may have **internally assessed standards** (eg practical work or research assignments) and/or **externally assessed standards** (examination, project or portfolio).

External exams occur in November and early December. Read more at: <http://www.whs.school.nz/ncea-information/>

STUDY BEYOND WHS

University Entrance requirements

University Entrance (UE) is the minimum requirement to go to a New Zealand university. To qualify you will need:

- **NCEA Level 3**
- **Three approved subjects** at Level 3 - 14 credits or more for each. See the current list of approved subjects and standards.
- **Literacy** - 10 credits at Level 2 or above made up of:
 - 5 credits in reading
 - 5 credits in writing
- **Numeracy** – 10 credits at Level 1 or above made up of:
 - achievement standards – specified achievement standards available through a range of subjects, or
 - unit standards - package of three numeracy unit standards (26623, 26626, 26627- all three required).

Full information can be found here:

<https://www.nzqa.govt.nz/qualifications-standards/awards/university-entrance/>

The courses that include UE approved standards, literacy and numeracy are noted throughout this book at the bottom of each course which offers them.

Ad Eundem Statum - Students who have attended school overseas and have an acceptable equivalent to the University Entrance requirements apply for Ad Eundem.

Special Admission - New Zealand students who are 20 years or older may apply for Special Admission. Application forms are available from the Admissions Office or the Liaison Office at the university.

University Guaranteed Entry Score (GES)

University Entrance will entitle you to entry to university but it may not immediately get you into the course you wish to study. In addition to the university entrance requirement, **some universities work on a GES (Guaranteed Entry Score) for different degrees**. There is more information in relation to Guaranteed Entry Scores on the school website with links to university admission pages. Go to www.whs.school.nz/ncea-information

Entry to Polytechnic

Polytechnics have close links with industry so their qualifications are relevant to the modern workplace. Tutors often come from the very industries for which you are training, so that you are equipped with the most relevant and up-to-date skills for your career.

Entry to polytechnics varies for each course and you must find the information from the polytechnic or careers information at school. If you are interested, see Careers Advisor, Chuni Bhikha, in the Careers Office on M Block Level 4 (M410)

Year 11 Art students have the option to select either a programme rich in digital media (ARD112) or a programme with a fine arts focus (ART112)

L1 | ART112 ART

If you are interested in art and would like to refine your skills in art making processes this is the course for you.

Pathway: This course prepares you for APT223, ASC223, APR223

Course components

- Develop skills in art making techniques using wet and dry media.
- Explore art making processes of drawing, painting, sculpture and printmaking
- Resolve ideas by producing your own original artwork for a portfolio

12	10	\$40	<input checked="" type="checkbox"/>
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Maximum	DONATION Plus a self-supplied Art pack (\$70).	ENTRY Open

L1 | ARD112 ART WITH DIGITAL FOCUS

If you are interested in digital media in art and would like to explore Photoshop and illustration, this could be the course for you.

Pathway: This course prepares you for PHO223, ASC223, APT223 or DES223

Course components

- Develop skills in digital illustration
- Explore digital manipulation using Adobe suite
- Resolve ideas by producing your own original artwork for a portfolio

12	10	\$40	<input checked="" type="checkbox"/>
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS maximum	DONATION Specialist art materials	ENTRY Open

L1 | DRA112 DRAMA

Senior Drama is a 3 year vision that offers students NCEA Levels 1, 2 and 3, plus UE and Scholarship. It is a flexible, co-constructed course that is moulded to individual student needs. Drama is a collaborative, group based subject with a high attendance requirement.

Pathway: This course prepares you for DRA223

Course components

- Group work and attendance are essential
- Some assessment opportunities in year 11 to gain NCEA level 1 and 2 credits

0	14	\$65	<input checked="" type="checkbox"/>
EXTERNAL CREDITS Course endorsement not offered	INTERNAL CREDITS by negotiation	DONATION For theatre visits	ENTRY Year 10 Drama or by audition as required

Sculpture

Honey Brown Y13

Asha Bore Y12

Max Brydon Y12

Eloise Baysh Y13

Design

Charlotte Pot Y13

Jean Donaldson Y13

Lauren O'Hara Y13

Grover Thang Y13

L1 | MUS112 MUSIC

This course builds on skills you have learnt in Year 10 on your chosen instrument, composing your own original songs and instrumental pieces and learning music theory and history. If you have over two years' experience playing music, this is the course for you

Pathway: This course prepares you for MUS223

Course components

- Prepare for Music Evening performances
- Perform as a soloist
- Write original compositions and songs
- Explore a range of musical scores and genres

4	16	\$0	<input checked="" type="checkbox"/>
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Literacy credits offered	DONATION Free itinerant instrument or vocal lessons	ENTRY Year 10 Music or by audition as required. Basic music theory knowledge

L2 | APR223 PRINTMAKING

In this course, you will develop skills using a range of printmaking techniques. You will apply these skills to produce a portfolio of work.

Pathway: This course prepares you for DES335, APT335, ASC335, and APR335

Course components

- Develop skills in traditional and contemporary drawing practice
- Develop skills in a range of printmaking processes
- Study contemporary artists
- Create a portfolio of work based on skills you have learnt

12	8	\$40	<input checked="" type="checkbox"/>
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Maximum	DONATION Plus a self-supplied Art pack (\$70).	ENTRY Recommended previous experience in Level 1 Art

Level 2

Level 2 Visual Arts students have the option of choosing up to two visual arts courses.

L2 | DES223 DESIGN

In this course, you develop and present ideas visually through drawing and digital manipulation to communicate ideas using image and text.

Pathway: This course prepares you for DES335, PHO335 or ASC335

Course components

- Explore techniques by hand and in Photoshop
- Develop an understanding of the design process and working to a brief
- Create a portfolio of work based on skills you have learnt

12	8	\$40	<input checked="" type="checkbox"/>
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS	DONATION Specialist art materials).	ENTRY Recommended previous experience in Level 1 Art

L2 | ASC223 SCULPTURE

In this course, you become familiar with a range of sculptural practices that include installation, time-based and object based art. You learn how to work in a systematic way to develop your ideas to make a body of work for a portfolio.

Pathway: prepares you for DES335, PHO335, APT335, or ASC335

Course components

- Begin to understand the technical and communicative conventions of sculpture making
- Develop a series of related works
- Focus on developing a portfolio of work

12	8	\$40	<input checked="" type="checkbox"/>
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Maximum	DONATION Specialist art materials	ENTRY Recommended previous experience in Level 1 Art

L2 | APT223 PAINTING

In this course, you will develop your skills in painting techniques and develop your ideas based on your own choice of subject matter.

Pathway: APT335, ASC335 or APR335.

Course components

- Become aware of the different approaches to how paintings can be created
- Develop skills in a related series of works
- Create your own portfolio of paintings

12	8	\$40	<input checked="" type="checkbox"/>
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS	DONATION Plus a self-supplied Art pack (\$70).	ENTRY Recommended previous experience in Level 1 Art

L2 | PHO223 PHOTOGRAPHY

This course is a practical course covering camera handling, composition plus digital and physical manipulation of photographs. You will use these skills to create your own body of work for a portfolio.

Pathway: PHO335, ASC335, DES335 or APR335.

Course components

- Learn about contemporary art practice in Photography
- Create your own portfolio of work
- Use photography to explore the world around you

Digital cameras are supplied. You are welcome to purchase your own camera for this course. Please see Photography teacher for camera information.

12	8	\$40	<input checked="" type="checkbox"/>
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Maximum	DONATION Specialist art materials	ENTRY Recommended previous experience in Level 1 Art

L2 | DRA223 DRAMA

Senior Drama is a 3 year vision that offers students NCEA Levels 1, 2 and 3, plus UE and Scholarship. It is a flexible, co-constructed course that is moulded to individual student needs. Drama is a collaborative, group based subject with a high attendance requirement.

Pathway: This course prepares you for DRA335.

Course components

- Use drama techniques in a scripted context
- Devise and perform a drama
- Rehearse and perform in a production
- Examine techniques and theatre technologies
- Group work and attendance are essential.

4	14	\$65	<input checked="" type="checkbox"/>
EXTERNAL CREDITS Optional. Course endorsement offered	INTERNAL CREDITS Literacy credits offered	DONATION For theatre visits	ENTRY Completed Level 1 Drama, or by audition as required

L2 | THS223

THEATRE STUDIES

The purpose of this course is to offer you leadership and extension opportunities within the discipline of Performing Arts and to broaden your experience through directing and producing theatre work. You have a hands-on approach to directing and script writing, supported by investigation of theatre form and history in a practical context.

Pathway: This course prepares you for University, Toi Whakaari, teacher training, performing arts training, and any field of interest that requires confidence and communication skills.

Course components

- Directing
- Scriptwriting
- Study of other theatre forms
- Theatre methodology and style
- Analyse scripted work for a production
- Written work is required to achieve all standards

0	14	\$65	☑
EXTERNAL CREDITS Course endorsement not offered	INTERNAL CREDITS Literacy credits offered	DONATION For theatre visits	ENTRY Level 1, Level 2 Drama, English or Media Studies

L2 | MUS223

MUSIC

This course builds on skills learned in Year 11. You write songs and instrumental pieces individually or in groups with a focus on performing. If you have over three years of music experience, then this is the course for you.

Pathway: This course prepares you for MUS335.

Course components

- Prepare for performances in groups for Music Evening
- Perform as a soloist
- Write original compositions and songs
- Explore a range of musical scores and genres
- Perform on a second instrument

Students must be able to play an instrument and have basic music reading skills.

6	19	\$0	☑
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Maximum	DONATION Free itinerant instrument or vocal lessons	ENTRY Interview and audition as required. Music theory knowledge

Level 3

Level 3 Visual Arts students have the option of choosing one or two visual arts courses.

L3 | DES335

UE / SCHOL

DESIGN

This course further develops your understanding of the design process from Level 2. You combine creative thinking with digital technology to communicate ideas through image and text.

Pathway: This course can lead to university, art school, and jobs in creative industries

Course components

- Design as problem-solving
- Establishing a client's requirements
- Writing and working to a brief
- Use a variety of art and design practices, and be prepared to work digitally to bring ideas to fruition for a folio

14	8	\$40	☑
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Maximum	DONATION Specialist art materials	ENTRY Level 2 Art 12 credits or proven ability, interview upon enrolment

L3 | APR335

UE / SCHOL

PRINTMAKING

This course extends your printmaking skills in new ways. You will develop ideas based on a theme of your choice.

Pathway: This course can lead to university, art school and jobs in creative industries.

Course components

- Extend your skills in contemporary printmaking
- Reflect and respond to art and your own work

14	8	\$40	☑
EXTERNAL CREDITS Maximum	INTERNAL CREDITS Maximum	DONATION Specialist art materials	ENTRY Level 2 Art 12 credits or proven ability, interview upon enrolment

L3 | ASC335

UE / SCHOL

SCULPTURE

Further develop your sculpture making skills around a theme of your choice.

Pathway: This course prepares you for tertiary, art school and creative industries such as Weta workshop.

Course components

- Develop skills in creative problem solving in 3-dimensional form
- Investigate New Zealand and international contemporary sculpture
- Learn how to reflect and respond to art and your own art work
- Learn how to produce a systematic body of work for a folio

14	8	\$40	<input checked="" type="checkbox"/>
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Literacy credits offered	DONATION Specialist art materials	ENTRY Level 2 Art 12 credits or proven ability, interview upon enrolment

L3 | PHO335

UE / SCHOL

PHOTOGRAPHY

This course extends your photography skills in new and innovative ways. You develop ideas based on a theme of your choice.

Pathway: This course can lead to university, art school, and jobs in creative industries

Course components

- Develop and refine skills in creative problem solving through photography
- Learn how to reflect and respond to art and your own art work
- Focus on developing a portfolio of work.

Digital cameras are supplied. You are welcome to purchase your own camera for this course. Please see Photography teacher for camera information.

14	8	\$40	<input checked="" type="checkbox"/>
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Maximum	DONATION Fee contribution	ENTRY Level 2 Art 12 credits or proven ability, interview upon enrolment

L3 | APT335

UE / SCHOL

PAINTING

This a practical course that builds on the skills that you have developed in Level 2. You will develop a body of work based around a theme of your choice.

Pathway: This course prepares you for university, art school, and jobs in creative industries.

Course components

- Develop and extend your skills and understanding of historic and contemporary painting practice
- Learn how to reflect and respond to art and your own art work
- Focus on developing a portfolio of work.

14	8	\$40	<input checked="" type="checkbox"/>
EXTERNAL CREDITS Maximum	INTERNAL CREDITS Maximum	DONATION Fee contribution plus a self-supplied Art pack (\$70)	ENTRY Level 2 Art 12 credits or proven ability, interview upon enrolment

L3 | DRA335

UE / SCHOL

DRAMA

This course builds on skills learnt in Level 2 and has a strong focus on performance. There are three public performance opportunities: production, scripted and devised.

Pathway: This course prepares you for University, Toi Whakaari, teacher training, performing arts training, and any field of interest that requires confidence and communication skills.

Course components

- Devise an original drama
- Rehearse and perform in a major production
- Demonstrate understanding of a live theatre performance
- Interpret drama techniques
- Group work and attendance are essential

4	14	\$65	<input checked="" type="checkbox"/>
EXTERNAL CREDITS Optional. Course endorsement offered	INTERNAL CREDITS Literacy credits offered	DONATION For theatre visits	ENTRY 14 Level 2 credits in Drama, or by audition as required

L3 | THS335

UE

THEATRE STUDIES

The purpose of this course is to offer you leadership and extension opportunities within the discipline of Performing Arts and to broaden your experience through directing and producing theatre work. You have a hands-on approach to directing and script writing, supported by investigation of theatre form and history in a practical context.

Pathway: This course prepares you for University, Toi Whakaari, teacher training, performing arts training, and any field of interest that requires confidence and communication skills.

Course components

- Directing
- Scriptwriting
- Study of other theatre forms
- Theatre methodology and style
- Analyse scripted work for a production
- Written work is required to achieve all standards

Entry: Year 13 entry requires completion of Level 2 Drama, English or Media Studies.

Level 1

L1 | ENG112

ENGLISH

Films, stories, poems, song lyrics and articles help us to understand other perspectives and experiences. In this course, you will look at the way similar ideas are expressed differently in a range of texts. You will learn to discuss confidently the way visual language is used to present ideas to us. You will also develop your confidence and skills in writing, reading, discussing and presenting.

Pathway: This course can lead to Level 2 English courses (ENG223, ENW223, ENS223, ENR223)

Course components

- Engagement with a wide range of texts
- A range of opportunities to write for different purposes and audiences
- Development of oral presentation skills

You are expected to bring a laptop to class.

L2 | ENS223

UE

ENGLISH WITH SCIENCE FICTION

If you are a fan of Science Fiction books and films, and you are curious about the relationship between humans and technology, then this is the course for you. In ENS223 you will conduct an investigation into the social implications of the Science Fiction genre. You will learn about the conventions found in a range of written texts and practise writing in a variety of styles, both creative and transactional.

Pathway: This course can lead to any Level 3 English course.

Course components

- Developing an understanding of genre conventions, especially within Science Fiction
- Improving reading comprehension with increasingly complex texts
- Presenting information in a variety of ways
- Developing an understanding of increasingly complex ideas

You are expected to bring a laptop to class.

Entry without the recommended entry credits will be negotiated on an individual basis.

UE

ENGLISH FOR WRITERS

If you really enjoy writing and would like the opportunity to develop your skills as an author, this is the course for you. The focus will be on what makes great writing and you will read texts and think about how they could inspire your own work.

Pathway: This course can lead to any Level 3 English course.

Course components

- Using other authors' work as models for your own writing
- The chance to workshop and develop your writing
- Opportunities to deepen your study of written literature

You are expected to bring a laptop to class.

Entry without the entry recommendations will be negotiated on an individual basis.

ENGLISH

We are surrounded by many different messages in this modern world and it is important to understand how we are all affected by what we read, see and hear. In ENG223 you will conduct an investigation into the social implications of the way ideas are presented to us. You will learn about the conventions found in a range of written texts and practise writing in a variety of styles, both creative and transactional.

Pathway: This course can lead to any Level 3 English course.

Course components

- Developing an understanding of genre conventions
- Developing further skills in writing, with an emphasis on reading, film and presenting
- Opportunities to learn and demonstrate information literacy skills exploring a topic of interest to you

You are expected to bring a laptop to class.

Entry without the entry recommendations will be negotiated on an individual basis

L2 | ENR223**UE****ENGLISH WITH RELIGION**

Are you interested in the various beliefs and faiths that make our world so diverse? In this course, you will study world religions and their influence and representation in the realm of literature. You will look at religions through a philosophical lens, and use texts dealing with religion as a context for applying key English skills.

Pathway: This course can lead to any Level 3 English course

Course components

- You will gain an overview of a range of world religions, and improve your overall 'religious literacy'
- You will explore issues and themes across these religions, with an emphasis on contemporary issues and events
- Opportunities will be provided for you to focus in more depth on one religion, looking at a range of literary texts with links to this religion
- Religious Studies standards will be offered alongside English standards

You are expected to bring a laptop to class.

Entry without the entry recommendations will be negotiated on an individual basis.

12	20	\$ TBA	✓

L2/3 | EPB023**UE****ENGLISH PROJECT BASED**

Choose this course and you can harness your passions - or tap into your out-of-school pursuits - or develop a community project - or extend your learning from another subject. Your curiosity and personal interests will drive this course.

You will work with other students to build a team culture and map your own pathways through projects of your choosing, weaving in English skills such as writing, reading critically and presenting your ideas on the way. Our school's values and powerful learning habits will be central to this course.

Pathway: This course can lead to any Level 3 English course; or Tertiary courses or employment

Course components

- Personal mentoring and review with your teacher, peers and the wider community will be an important component of this course.
- Assessments will arise from your interests and passions

You are expected to bring a laptop to class.

Entry without the entry recommendations will be negotiated on an individual basis.

4-8	12-16	\$ TBA	✓

UE

PAINTED WORD

What is art? How can art further our understanding of contemporary issues such as cultural appropriation, racism and feminism? If you love art and are interested in how artists think, create and critically communicate ideas in their work, this course is for you. This course helps develop an appreciation and understanding of art through the ages with a particular emphasis on Modern American and New Zealand art. You will study extraordinary periods of rapid and exciting change.

Pathway: Tertiary courses or employment.

Course components

- You will visit galleries and hear from artists and curators.
- The English aspects will involve writing around Art History themes and investigating the connections between visual and written art
- Where possible, work will be assessed against both Art History and English standards.
- Credits offered from both the English and Art History domains will be decided in collaboration with your teacher

You are expected to bring a laptop to class.

16	22	\$ TBA	☑
EXTERNAL CREDITS Assessments to be negotiated.	INTERNAL CREDITS Literacy credits. Assessments to be negotiated.	DONATION Trips and outings as appropriate. Bring a laptop to class.	ENTRY 14 credits from a L2 English course (including U.E. Literacy) and an interest in art.

Outdoor Education at Wellington High School offers a unique opportunity for students to extend and take control of their own learning and development. With a future focus, our programmes move beyond traditional models of learning in order to give you the knowledge and confidence to influence and inspire others to live life to the full, and to care for the planet. This course is designed for students who want outdoor experiences that will enhance personal and social development. It covers sustainability and environmental practices, trip planning, leadership, risk management, adventure activities on land, sea and mountains.

Pathway: This course can lead to ODE223.

Course components

- Participate actively in a variety of physical activities
- Demonstrate quality movement in sport
- Responsible behaviour and safety
- Assist others to participate in physical activity

0	20	\$590	<input checked="" type="checkbox"/>
EXTERNAL CREDITS	INTERNAL CREDITS	DONATION	ENTRY
Course endorsement offered	Maximum	\$150 Course fees and \$440 Ski trip	Open

L1 | SPS112

SPORT SCIENCE

This course aims to extend your knowledge and understanding of physical education. You will be involved in developing performance improvement programs, studying functional anatomy in practical sporting contexts and demonstrating interpersonal skills in a sports education environment.

Pathway: This course can lead to SPS223.

Course components

- Understand the function of the body as it relates to the performance of physical activity
- Quality movement in the performance of a physical activity
- Societal influences on physical activity and the implications for self and others
- Strategies to improve the performance of physical activity

0	15	\$0	☑
EXTERNAL CREDITS	INTERNAL CREDITS	DONATION	ENTRY
Course endorsement offered	Maximum	Nil	Open

L1 | REC112

RECREATION

This course is aimed at students who enjoy the practical side of Physical Education. You will learn how to reflect on your personal involvement in sport and leisure activities and identify factors that influence your enjoyment. You will be assessed in a team and individual sport context and run a Sports Education model with a focus on interpersonal skills.

Pathway: This course can lead to REC223.

Course components

- Explain factors that influence participation
- Quality movement in sport
- Demonstrate interpersonal skills
- Develop strategies to improve performance

0	15	\$0	☑
EXTERNAL CREDITS	INTERNAL CREDITS	DONATION	ENTRY
Course endorsement offered	Maximum	Nil	Open

L1 / L2 / L3 | BBL000

BASKETBALL

This course would suit students who love the sport of basketball. Students would be taught and coached in a fully submersive basketball context. The course is designed to apply the science and technology of professional training programmes to their own learning. This is a split level learning environment where students from all senior years can engage in NCEA learning at their level.

Pathway: This course can lead to SPS223 or SPS335.

Course components

- Quality movement in a basketball context
- Designing and implementing training programmes
- Completion of a sports education model
- Examining societal influences on professional sport

0	15	\$0	☑
EXTERNAL CREDITS	INTERNAL CREDITS	DONATION	ENTRY
Course endorsement offered	Maximum	Nil	Open to all students who are keen on basketball

Level 2

L2 | HED223

HEALTH EDUCATION

You will examine adolescent issues and the possible short and long-term consequences on your well-being. You will also develop, implement and evaluate a plan to enhance hauora of students in our school or in our community.

Pathway: This course can lead to HED335.

Course components

- Evaluate factors that influence people's ability to manage change
- Take action to enhance an aspect of people's well-being
- Analyse an interpersonal issue(s) that places personal safety at risk
- Analyse issues related to sexuality and gender to develop strategies for addressing the issues

4	15	\$0	☑
EXTERNAL CREDITS	INTERNAL CREDITS	DONATION	ENTRY
Course endorsement offered	Literacy credits	Nil	10 credits in Level 1 Health Education

L2 | ODE223

OUTDOOR EDUCATION

Our Outdoor Education course offers you the stimulating combination of the challenges of the natural environment, the excitement of taking more self-responsibility and the joy of finding worth and value in one's self. The teaching and learning emphasis in the level two Outdoor Education course is to enhance resilience, self-organisation, self-dependence and responsibility.

Pathway: This course can lead to ODE335.

Course components

- Risk management strategies in outdoor activity
- Demonstrate social responsibility
- Examine the implementation and outcomes of an event or opportunity
- Demonstrate quality movement in sport

0	19	\$300+	✓
EXTERNAL CREDITS	INTERNAL CREDITS	DONATION	ENTRY
Course endorsement offered	Literacy credits	Course resources \$150. Castle Point surf trip \$150. Optional trip to Samoa approx. \$2300	10 Credits Level 1 Outdoor Education

L2 | SPS223

SPORT SCIENCE

You will take a detailed look at biophysical principles using video analysis, and learn how these apply to your own performance improvement. It includes a range of physical activities, fitness and training programmes and a look at the significance for self and society of a sporting event.

Pathway: This course can lead to SPS335.

Course components

- Apply biophysical principles in a sports context
- Evaluate strength training programme
- Demonstrate quality movement in sport
- Examine the significance of a sporting event.

0	16	\$0	✓
EXTERNAL CREDITS	INTERNAL CREDITS	DONATION	ENTRY
Course endorsement offered	Maximum	Nil	Passed Achievement Standard 90963

L2 | REC223

RECREATION

An interest and commitment to playing sports and developing skills is essential. You will develop advanced physical skills in a number of different contexts, including team, individual and outdoor pursuit activities. You will complete a 3 day camp at a high and low ropes course with a focus on self-management and social responsibility.

Pathway: This course can lead to REC334.

Course components

- Demonstrate quality movement in sport
- Demonstrate social responsibility
- Participation in adventure based learning
- High and low ropes course

0	16	\$150	✓
EXTERNAL CREDITS	INTERNAL CREDITS	DONATION	ENTRY
	Maximum	For High Ropes camp	Open

Level 3

L3 | HED335

HEALTH EDUCATION

UE

You will explore a range of attitudes, values and different practices that support/ undermine health and well-being. Topics include health practices, New Zealand and international health issues and the debate surrounding ethical issues. You are posed with issues that face the youth of today and are given the chance to make recommendations for change.

Pathway: This course can lead to university entrance and careers pathway in the health industry.

Course components

- Analyse a New Zealand health issue
- Evaluate health practices currently used in New Zealand
- Analyse a contemporary ethical issue in relation to well-being
- Analyse a New Zealand health issue

5	14	\$0	✓
EXTERNAL CREDITS	INTERNAL CREDITS	DONATION	ENTRY
Course endorsement offered	Literacy credits	Nil	10 credits in level 2 Health Education

L3 | ODE335

UE

OUTDOOR EDUCATION

This course is a student-centred programme where you will learn to challenge yourself mentally, physically, socially and emotionally. The integrated approach within this course allows for practical activities, theoretical concepts, and relationship with the environment to be incorporated into a meaningful programme of learning. The course aims to develop self-awareness and leadership through opportunities to plan for, and facilitate outdoor experiences.

Pathway: This course is a university approved course and can lead to a career in adventure tourism, eco tourism and careers in the outdoor industry.

Course components

- Devise strategies for lifelong well-being
- Demonstrate quality movement in sport
- Examine a current physical activity event, trend or issue and its impact on New Zealand society.
- Devise safety management strategies

0	20	\$550	☑
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Literacy credits	DONATION \$150 course fee and \$400 Whanganui river trip	ENTRY 10 credits in Level 2 Outdoor Education

L3 | SPS335

UE

SPORT SCIENCE

You will plan, implement and evaluate a skill improvement programme, incorporating biophysical principles, skill learning theories and sports psychology. You will challenge assumptions around performance improvement theories and examine the role money plays in New Zealand sport.

Pathway: This course is university approved and leads to careers in the sports and leisure industry.

Course components

- Analyse a physical skill using biomechanical knowledge
- Evaluate the effectiveness of a performance programme
- Demonstrate quality movement in sport
- Examine a current physical activity, event, trend or issue and its impact on New Zealand society

0	16	\$0	☑
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Literacy credits	DONATION Nil	ENTRY 10 credits in Level 2 Sport Science

L3 | REC334

RECREATION

You will develop advanced physical skills in a number of different contexts, including team sports, adventure based learning and mountain biking. You will learn how to plan coaching sessions and investigate sports injuries, completing a coaching qualification.

Course components

- Demonstrate quality performance in sport
- Demonstrate leadership while participating in adventure based learning activities
- Develop skills in mountain biking
- Develop and run a sports coaching session

0	16	\$0	☑
EXTERNAL CREDITS	INTERNAL CREDITS Maximum	DONATION Nil	ENTRY Open

Subject Overview

L1	Science Science for English Lang. Learners Horticulture	L2	Biology Chemistry Physics Earth & Space Science Horticulture Science	L3	Biology Chemistry Physics Earth & Space Science Horticulture Science
-----------	---	-----------	---	-----------	---

L1 | SCI112 SCIENCE

This course involves the practical and theoretical study of selected topics from the three main branches of science. This course allows you to build on your previous learning in science.

Pathway: This course can lead to understanding the world around you and scientific issues affecting society. It is preparation for specialist study of the sciences in the senior school, which can lead to a variety of scientific careers.

Course components

- Acids and Bases
- Mechanics
- Genetic Variation
- Microbiology
- Chemical Reactions

12	8	\$23	<input checked="" type="checkbox"/>
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Maximum	DONATION For a write-in workbook	ENTRY Open

L1 | SCE112 SCIENCE FOR ENGLISH LANGUAGE LEARNERS

With a strong focus on hands-on practical work, writing paragraph answers and annotating diagrams, you will focus on learning English as you study science.

Pathway: Year 12 Science (SCI223) course.

Course components

- A range of internal standards will be offered. These will be determined through discussion with the students and an understanding of their interests in science.

0	16	\$0	<input checked="" type="checkbox"/>
EXTERNAL CREDITS Nil	INTERNAL CREDITS Maximum	DONATION Nil	ENTRY Open

L1 | HCL112 HORTICULTURE

If you are interested in plants, the environment and working outside then you will benefit from this course. This course enables you to develop a working knowledge and basic practical skills in plant propagation and management.

Pathways: This course leads to HCL223 and then either:

1. HCL334 and university courses OR
2. Polytechnic courses and apprenticeship opportunities in the wide-ranging environmental and horticulture sectors

Course components

- Basic plant propagation knowledge and skills
- Plant investigations
- Soil management
- Landscape design to meet user needs

4	15	\$0	<input checked="" type="checkbox"/>
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Literacy and numeracy	DONATION Nil	ENTRY Open to anyone with a genuine interest in the environment and working with plants using safe practices.

L2 | CHE223 CHEMISTRY

Chemistry is the study of substances and their interaction with each other and with energy. In this course, you will gain an understanding of the particles involved in each aspect to explain the material world around you.

Pathway: This course can lead to Year 13 Chemistry. It will also help you analyse data and plan practical work and will provide good foundations for Level 3 Chemistry or Science.

Course components

- Quantitative analysis
- Inorganic chemical reactions
- Structure, bonding and energy
- Organic reactions

13	10	\$25	<input checked="" type="checkbox"/>
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Maximum	DONATION For workbook	ENTRY 12 Level 1 Science credits incl. acids and bases, or chemical reactions or with Head of Faculty approval

Level 2

L2 | BIO223 BIOLOGY

Biology is the science that focuses on the study of life and living organisms. You will learn how cells interact with their environment and with each other.

Pathway: This course can lead to Level 3 Biology or Level 3 Science.

Course components

- Life processes at the cellular level
- Genetic variation and change
- Ecological communities
- Gene expression

12	8	\$40	<input checked="" type="checkbox"/>
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Maximum	DONATION for workbook and field trips	ENTRY 12 Level 1 Science credits including Genetic Variation or Microbes or with Head of Faculty approval

L2 | PHY223 PHYSICS

Physics is the study of the nature and properties of matter and energy. You will carry out practical investigations linked to the concepts studied.

Pathway: This course can lead to Physics at Level 3 and/or tertiary study of physics.

Course components

- Radioactivity
- Mechanics
- Electricity and Electromagnetism
- Waves and Optics
- Practical Investigation

Note: Maths standards AS 91027 (Algebra) and AS 91032 (right angled triangles) are entry recommendations as well as the Science standards listed below.

16	7	\$35	<input checked="" type="checkbox"/>
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Maximum	DONATION For a write-in handbook	ENTRY 12 L1 Science credits incl. Mechanics or with Head of Faculty approval

L2 | ESS223

EARTH AND SPACE SCIENCE

You will learn why stars shine, how the planets were formed and what causes earthquakes and forms volcanoes. You will have the chance to choose projects that match your abilities and interests.

Pathway: This course can lead to ESS334 and then either university courses or polytechnic courses leading to a multitude of apprenticeship opportunities in various primary industry sectors.

Course components

- Extreme events (volcanoes, earthquakes etc.)
- Stars and planets
- Local rocks and landforms
- Personal project work

8	12	\$60	☑
EXTERNAL CREDITS	INTERNAL CREDITS	DONATION	ENTRY
Course endorsement offered	Maximum	Workbook and field trip	4 Level 1 Science credits minimum and Level 1 literacy or, with Head of Faculty approval

L2 | SCI223

SCIENCE

If you enjoy science and would like to study some selected topics from chemistry and biology this course is for you. A variety of standards will be offered and the course will allow you to build on your previous learning in science.

Pathway: This course can lead to Level 3 Science

Course components

- An investigation into how public health information is communicated to the public.
- Quantitative analysis in chemistry
- An ecological study on takahe population patterns
- Personal research assessments.

0	20	\$0	☑
EXTERNAL CREDITS	INTERNAL CREDITS	DONATION	ENTRY
	Maximum		12 Level 1 science credits or with Head of Faculty approval

L2 | HCL223

HORTICULTURE

You will develop a working knowledge and practical skills in commercial plant propagation and plant management. You will enjoy this course if you are interested in one or more of the primary industry horticulture sectors such as viticulture, crop management, biosecurity, plant pathology.

Pathways: This course leads to either:

1. HCL334 and university courses including horticulture science, landscape architecture (city planning), viticulture etc.
2. Polytechnic courses or apprenticeship opportunities in sectors such as landscape construction, arboriculture, plant nursery, botanic gardens.

Course components

- Commercial plant propagation skills and knowledge
- Plant management techniques
- Techniques used to modify the environment for commercial plant production

4	15	\$0	☑
EXTERNAL CREDITS	INTERNAL CREDITS	DONATION	ENTRY
Course endorsement offered	Maximum	Nil	12 Level 1 Science credits plus Level 1 literacy and numeracy, or with Head of Faculty approval

Level 3

L3 | BIO335 BIOLOGY

UE / SCHOL

Biology is the science of life. It covers the relationships between organisms and the environment. You will explore evolutionary processes, animal behaviour, homeostasis, and biotechnology. You will develop informed opinions relating to the implications of some of these technologies. Biology helps you to communicate scientifically, think critically, and better understand the world around you.

Pathway: This can lead to tertiary study as part of a science, technology, bio-engineering or medical qualifications.

Course components

- Socio-scientific: investigating controversial biological issues & their implications
- Homeostasis: human survival in extreme conditions
- Biotechnology: human manipulation of genetics
- Ecology: animal behaviour and plant responses in the living world.
- Evolution: the speciation of plants and animals

9	9	\$50	☑
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Maximum	DONATION for workbook and field trips	ENTRY 12 Level 2 Science credits or with Head of Faculty approval

L3 | CHE335 CHEMISTRY

UE / SCHOL

You will build on the knowledge developed in CHE223, focusing on conceptual understanding, and creating connections between the topics studied.

Pathway: This course can lead to tertiary study where it is a prerequisite or part of the many science related courses of study, especially in medicine, the health sector or engineering.

Course components

- Structure, bonding, energy and entropy
- Inorganic chemical reactions involving redox and aqueous equilibria
- Organic reactions including polymers
- Spectroscopy

15	9	\$30	☑
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Maximum	DONATION For workbook	ENTRY 12 Level 2 Chemistry credits or with Head of Faculty approval

L3 | PHY335 PHYSICS

UE / SCHOL

You will study conceptual and mathematical approaches to Physics. You will carry out practical investigations linked to the concepts studied.

Pathway: This course can lead to university study of physics, especially as part of a science, engineering or medical degree.

Course components

- Modern Physics
- Mechanics
- Electricity and Electromagnetism
- Waves
- Practical Investigations

Note: Studying Calculus MAC335 is recommended.

16	7	\$30	☑
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Maximum	DONATION For a write-in handbook	ENTRY 12 Level 2 Physics credits or with Head of Faculty approval

L3 | ESS335 EARTH AND SPACE SCIENCE

UE / SCHOL

This course ties together many aspects of science to understand important issues such as the environment, pollution and climate change. You can also follow your own interests with personal project work.

Pathway: This course is a good introduction to many university science courses.

Course components

- Oceans and Earth's hydrosphere
- Atmosphere
- Life on other planets
- Socio-scientific issues in relation to ESS

8	12	\$60	☑
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Maximum	DONATION Workbook and field trip	ENTRY 4 Level 1 Science credits and Level 1 literacy, or Level 2 ESS credits, or with Head of Faculty approval

L3 | HCL334 HORTICULTURE

UE / SCHOL

You will focus on New Zealand's primary production industries with an emphasis on plant management practices to meet export market requirements and grower profitability. **Complementary subjects are: mathematics, biology, business studies and economics.**

Pathway: This course leads to a wide range of tertiary university courses including agriculture, horticulture, commerce, soil science, forestry, environmental science, landscape architecture etc.

Course components

- Sensory survey on apple fruit attributes
- Research the profitability of growing grapes for export wines
- Study the production processes of a primary product (apples) to meet specific export market requirements
- Analyse a NZ primary production environmental issue

9	10	\$0	☑
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Maximum	DONATION Nil	ENTRY 12 credits from any Level 2 Science and Level 2 literacy and numeracy, or with Head of Faculty approval

L3 | SCI335 SCIENCE

UE

If you are interested in Science but do not wish to specialise this is the course for you. A range of standards will be offered, dependent on the interests and aspirations of the students enrolled.

Pathway: University entrance in science, science-based courses at Polytech, or allied careers.

Course components

- A range of internal standards on offer depending on student choice

0	15	\$0	☑
EXTERNAL CREDITS Maximum	INTERNAL CREDITS Maximum	DONATION	ENTRY 14 Level 2 Science credits or with Head of Faculty approval

-----------	--	-----------	---	-----------	---

L1 | BUS112 BUSINESS STUDIES

This is an introductory Business Studies course and provides an opportunity for you to undertake study in two subject areas, Economics and Business Studies. Working in groups, you will operate a school based enterprise.

Pathway: This course can lead to BUS223 and other Level 2 Social Science subjects

Course components

- The internal operations of a small business
- Apply marketing to a product and carry out and review a business activity
- Understand producer choices using supply and how the market works

12	9	\$0	<input checked="" type="checkbox"/>
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Literacy credits at L1	DONATION Capital for small business	ENTRY Open

L1 | GEO112 GEOGRAPHY

An introduction to thinking geographically about the world around them. Topics involve learning through real world experiences.

Pathway: This course is recommended for GEO223 and can lead to other Level 2 Social Science subjects

Course components

- Understanding sustainability and Ecotourism
- Apply skills and knowledge in a Geographic environment
- Describe a geographic topic at a global scale
- Understand the impact of a major earthquake on New Zealand environments

8	10	\$27	<input checked="" type="checkbox"/>
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Literacy and numeracy credits at L1	DONATION Skills book	ENTRY Open

L1 | HIS112 HISTORY

This course provides a broad overview of the 20th Century, with a focus on conflict and revolution. Both the wider world and New Zealand are explored.

Pathway: This course can lead to HIS223 or other Level 2 Social Science subjects

Course components

- Investigate the relationships between events in the past, and their effects on people(s)
- Understand the effect that perspective has on the representation of past events.
- Investigate the effect of past events on the present, or more recent past
- Interpret evidence, both primary and secondary, to make sense of History

8	12	\$ TBA	<input checked="" type="checkbox"/>
EXTERNAL CREDITS	INTERNAL CREDITS	DONATION	ENTRY
Course endorsement offered	Literacy credits at Level 1	There may be a cost for day excursions in the Wellington region.	Open

L1 | MDS112 MEDIA STUDIES

A study of new media and how they are used and regulated, and analysing how media texts are constructed. You will also explore the design and production of a range of media products, including print and film.

Pathway: MIC223 or JRN223 and all Level 2 Social Science subjects

Course components

- Understand how individuals interact with the media
- Understand selected elements of media text
- Understand selected elements of a film genre
- Produce a plan and complete a short film using specific conventions.

4	15	\$0	<input checked="" type="checkbox"/>
EXTERNAL CREDITS	INTERNAL CREDITS	DONATION	ENTRY
Course endorsement offered	Literacy and numeracy credits		Open

L1 | CLE112 CLASSICAL STUDIES WITH ENGLISH

This course explores the qualities that define both mythological and political heroes in art and literature. You do not need to take another English course but can if you wish.

Pathway: This course can lead to CLE223 and other Level 2 Social Science subjects

Course components

- Study the ideas and values in Homer's Odyssey
- Understand the art and relationships in the classical world
- Understand links between the classical world and other cultures
- Show understanding of connections between texts using evidence

16	16	\$0	<input checked="" type="checkbox"/>
EXTERNAL CREDITS	INTERNAL CREDITS	DONATION	ENTRY
Course endorsement offered	Literacy credits.	Nil	Open although 10CLS is an advantage

Level 2

L2 | BUS223 BUSINESS STUDIES

This is a Business Studies course and provides an opportunity for you to undertake further study in two subject areas: Economics and Business Studies. Working in small groups, you will plan and operate a community based business.

Pathway: This course is recommended for ECO335 and other Level 3 Social Science subjects

Course components

- Analysing growth
- Analysing unemployment
- Carrying out a business activity
- Understanding the operations of a large business

12	9	\$0	<input checked="" type="checkbox"/>
EXTERNAL CREDITS	INTERNAL CREDITS	DONATION	ENTRY
Course endorsement offered	Literacy (for UE)	Capital for small business	Level 1 Numeracy and Literacy

L2 | GEO223

GEOGRAPHY

In this course, you will think geographically about your community and the world around you. Topics will involve learning through real world experiences.

Pathway: This course is recommended for GEO335 and can lead other Level 3 Social Science subjects

Course components

- Demonstrate understanding of Geographic skills
- Understand the human and environmental interactions within the Tongariro Volcanic Zone
- Explain the causes and distribution of a contemporary NZ issue
- Explain the causes and consequences of a global issue.

8	11	\$TBA	<input checked="" type="checkbox"/>
EXTERNAL CREDITS	INTERNAL CREDITS	DONATION	ENTRY
Course endorsement offered	Literacy and numeracy credits (for UE)	Skills book and Field trip to Tongariro	Level 1 Numeracy and Literacy

L2 | HIS223

HISTORY

This course explores responses to change through an ideological lens considering various geographic and political contexts

Pathway: This course is recommended for HIS335 and can lead to other Level 3 Social Science subjects

Course components

- Explore the force of competing ideologies in modern conflicts
- Critically assess evidence to draw conclusions about the effect of perspective on the representation of events
- Apply understanding of continuity and change to selected contexts to explain modern circumstance
- Read critically to draw conclusions about the past

9	14	\$ TBA	<input checked="" type="checkbox"/>
EXTERNAL CREDITS	INTERNAL CREDITS	DONATION	ENTRY
Course endorsement offered	Literacy credits (for UE)	Optional Field trip	Level 1 Literacy and Level 1 Numeracy

L2 | MIC223

MOVING IMAGE CULTURE

You will develop media literacy and understand the use of mass media, particularly film. You will become a critical consumer of the media and use these skills in the production of your own media product – video.

Pathway: This course can lead to MIC335 and other Level 3 Social Science subjects

Course components

- Understand the way that narrative and representation influence media texts
- Show understanding of an aspect of a specified genre
- Plan and complete a film using a range of conventions
- This course shares standards with JRN223

4	17	\$ 0	<input checked="" type="checkbox"/>
EXTERNAL CREDITS	INTERNAL CREDITS	DONATION	ENTRY
Course endorsement offered	Literacy credits (for UE)	Nil	Level 1 Literacy

L2 | CLE223

CLASSICAL STUDIES WITH ENGLISH

This course explores the qualities of humour in both classical and modern society as well as delving into events that shaped the classical world. You do not need to take another English course but can if you wish.

Pathway: This course can lead to CLS335 and other Level 3 Social Science subjects and Level 3 English

Course components

- Examine ideas and values in the classical world
- Examine significant features of art and architecture
- Understand the relationship between the classical world and other cultures
- Analyse written texts using evidence and produce formal written work
- This course may be taken as an alternative to ENG223 and includes English standards

16	14	\$0	<input checked="" type="checkbox"/>
EXTERNAL CREDITS	INTERNAL CREDITS	DONATION	ENTRY
Course endorsement offered	Literacy credits (for UE)	Nil	Level 1 Literacy

L2 | PSY223 PSYCHOLOGY

Psychology is the scientific study of the mind and behaviour. In this course you will explore theories of memory, personality and addiction. You will also learn about some famous psychological experiments and conduct an experiment of your own.

Pathway: This course can lead to Level 3 Social Science subjects

Course components

- Examine how psychological debates change over time
- Conduct psychological research with guidance
- Investigate psychological theories and approaches
- Explore ethical issues in psychological practice

0	21	\$ 0	<input checked="" type="checkbox"/>
EXTERNAL CREDITS	INTERNAL CREDITS Literacy credits (for UE)	DONATION Nil	ENTRY Level 1 Literacy.

L2 | JRN223 JOURNALISM

This course focuses on the theoretical and practical production application in understanding and producing print media texts. You will develop tools to analyse and make your own messages and meanings in a media-saturated world. Strong initiative and independence is expected and an ability to meet deadlines is vital

Pathway: This course can lead to Level 3 Social Science subjects

Course components

- The role of print media and the written word as a means of communicating news, ideas and opinions
- Develop the principles of layout and various programs such as InDesign and Photoshop
- This course shares standards with MIC223

4	16	\$0	<input checked="" type="checkbox"/>
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Literacy credits (for UE)	DONATION Nil	ENTRY 12 Credits from MDS112, ENG112 or another Level 1 Social Science

L2/3 | PPT220 PAPA TAI AO

Keen to get out of the classroom and take action for a more sustainable future?

Papa Taiao Earthcare has three courses that will introduce you to environmental, social, economic and cultural issues in Wellington. The programme assessment is tailored to individual student strengths and taught through practical work, self-directed learning, overnight camps and mentorship from industry experts.

Pathway: This course can lead to careers in conservation or sustainability-based industries. You can achieve a NZQA Certificate in Land Based Sustainability

There are three courses to choose from

- Regenerative Agriculture: Learn about urban farming by helping at KaiCycle's urban farms and working to develop your own market garden.
- Social Enterprise: Work at The Sustainability Trust using Wellington's waste streams to develop products to sell.
- Restoration: Help Conservation Volunteers restore Wellington's native forests by learning about trapping, seed saving, tree planting, pest plant management and nursery work.

0	24	\$ 0	<input checked="" type="checkbox"/>
EXTERNAL CREDITS	INTERNAL CREDITS Literacy and numeracy	DONATION Nil	ENTRY Open

Level 3

L3 | ECO335 ECONOMICS

UE / SCHOL

Understanding of advanced economic concepts and the way in which the New Zealand economy operates is important for young people if they are to function in and contribute to our society.

Pathway: This course can lead to tertiary study

Course components

- How market equilibrium leads to efficiency
- Understanding micro-economic concepts
- Understanding government intervention in the market
- Understanding macro-economic influence in New Zealand

10	10	\$0	<input checked="" type="checkbox"/>
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Literacy credits for UE	DONATION Nil	ENTRY Level 1 Numeracy and Literacy & 12 credits from BUS223 or L2 Social Science

L3 | HIS335 HISTORY

UE / SCHOL

This programme covers the consequences of the European reformation, and competitive territorial expansion, across continents. Contrasting forces, and the effects of these on people(s) are explored. Learning traverses four centuries, and takes a Big History approach.

Pathway: This course can lead to tertiary study, or directly to employment in a wide variety of fields

Course components

- Consider History as a construct, and the role of the Historian
- Explore the effect of scholarship from integrated disciplines on ways of seeing the past
- Compare the first contact period of the Americas, South East Asia and the Pacific
- Investigate the data to draw conclusions about change across significant periods of time, reading widely and critically

10	15	\$ TBA	<input checked="" type="checkbox"/>
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Literacy credits (for UE)	DONATION Optional Field trip	ENTRY 12 Credits from HIS223 or another L2 Social Science subject or English

L3 | GEO335 GEOGRAPHY

UE / SCHOL

Develop deeper thinking of geographical concepts including various Human and Physical processes that impact both the local and international environments. We include what's where, why it's there and who cares.

Pathway: This course can lead to tertiary study

Course components

- Understand the human and physical interactions of a local coastal environment
- Understand the cultural interactions that contribute to tourism in Rotorua
- Analyse the causes and consequences of a global issue
- Demonstrate understanding of a variety of Geographic skills

12	11	\$TBA	<input checked="" type="checkbox"/>
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Literacy and numeracy credits (for UE)	DONATION Field trips to Kapiti and Rotorua & skills book	ENTRY 12 Credits from GEO223 or another Level 2 Social Science or English

L3 | CLS335 CLASSICAL STUDIES

UE / SCHOL

You will explore the social, artistic and ideological aspects of the classical world. Particular focus will be on philosophy, mythology, concepts and beliefs of religion and political propaganda.

Pathway: This course can lead to tertiary study

Course components

- Analyse ideas and values of the classical world
- Analyse the significance of Art in the classical world
- Understand significant ideologies in the classical world
- Understand the influence of the classical world on other cultures

8	12	\$0	<input checked="" type="checkbox"/>
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Literacy credits	DONATION Nil	ENTRY 12 Credits in CLE223 or another Social Science

L3 | JRN335

UE / SCHOL

JOURNALISM

The primary component of this course is the production of *The Flannel* magazine. You assume control of all aspects of production including editorial policy, writing, designing, desktop publishing, and graphics. Students enrolled in JRN335 cannot take MIC335.

Pathway: This course can lead to tertiary study, or the world of work

Course components

- Show understanding of the relationship between a media genre and society
- Develop and produce a media product that meets a brief
- Write a media text to meet a brief
- Develop skills in various software products to produce a Flannel Article

4	13	\$0	<input checked="" type="checkbox"/>
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Literacy credits (for UE)	DONATION Nil	ENTRY 12 Credits from JRN223, ENG223 or another Level 2 Social Science.

UE

PSYCHOLOGY

You will continue to study human nature, the complexities of the mind, identity and what motivates us. Areas explored will include the psychology of relationships and attraction, gender and mental health.

Pathway: This course can lead to tertiary study

Course components

- Analyse psychological approaches and how theories are used in the field
- Conduct psychological research with consultation
- Analyse the impact key psychological research has had on our society
- Explore significant ethical issues in psychology

3	13	\$ TBA	<input checked="" type="checkbox"/>

L3 | MIC335

UE / SCHOL

MOVING IMAGE CULTURE

You will develop media literacy and understanding using mass media. You will enhance your critical understanding of media messages and develop skills in the production of your short film. Students enrolled in MIC335 cannot take JRN335.

Pathway: This course can lead to tertiary study or the world of work

Course components

- Develop a deeper understanding of the use of media texts
- Show understanding of a media genre and society
- Plan and produce a short film using conventions appropriate to a genre

4	13	\$0	<input checked="" type="checkbox"/>
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Literacy credits (for UE)	DONATION	ENTRY 12 Credits from MIC223 or another Level 2 Social Science subject.

L3 | SOC335

UE

SOCIOLOGY

The course explores the effects of powerful social forces and ideologies on communities and individuals, both geo-politically and in small local communities. The competition between value systems and the way resources are allocated are explored.

Pathway: This course leads to tertiary study or the world of work.

Course components

- Understand how groups make use of social forces to create change in communities
- Test Newton's law "for every action, there is an equal and opposite reaction" in the environment of human interaction, social forces and belief systems
- Learn to develop and communicate a campaign to make positive change in our community

L1 | MEG112

MECHANICAL ENGINEERING

This course is for those of you who wish to develop your knowledge and skills in a mostly metal based workshop environment. The course is delivered through engineering projects and is particularly suitable for those who may be interested in engineering-related careers. Projects include metal clamps and a mechanical wind ornament. Health and Safety in the workplace takes a high priority and good attendance is expected to complete these elements of the course.

Pathway: The course allows access to the level 2 Mechanical Engineering course

Course components

- A project-based making programme that allows use of a huge range of hand and machine tools

0	24	\$0	<input checked="" type="checkbox"/>
EXTERNAL CREDITS	INTERNAL CREDITS	DONATION	ENTRY
Nil	Maximum	Nil	Open

L1 | ELT122

ELECTRONICS

This course provides level 2 credits but assumes no prior knowledge of electronics. Students are introduced to a wide range of components and practical projects so you can create a range of circuits. All aspects of electronics are developed from individual components through to a range of microchips.

Pathway: This course leads to the Level 3 Electronics course which uses university approved standards and so to tertiary courses thereafter.

Course components

- 3 theory, introduction to electronic components and systems
- 2 practical circuit building units with extension options

Pathway: The course allows access to ELT223/334

0	24	\$30	<input checked="" type="checkbox"/>

Maximum is 3 across 2 years & 6 across 3 years Course endorsement offered	Maximum across 2 years & 74 across 3 years; Literacy and Numeracy electives at L2 and L3		Open

L1 | CSC112

COMPUTER SCIENCE

This course is for you if you are interested in programming or computer engineering. CSC112 includes an introduction to algorithms, usability data, encoding, and programming in Javascript. The major part of the course is designing and programming a simple game using Javascript.

Pathway: Level 2 Computer Science course

Course components

- Working with algorithms and creating computer programs

3	15	\$0	<input checked="" type="checkbox"/>
EXTERNAL CREDITS	INTERNAL CREDITS	DONATION	ENTRY
Maximum Course endorsement offered	Literacy credits (12)		Open

L1 | DGM112

DIGITAL MEDIA

On this course, you will build a repertoire of skills to design and make web pages using HTML5 and CSS3. There will also be a study of programs that support this such as Photoshop for graphical work and Audacity for sound files. The course is project based and learning is integrated, so project management skills will be developed. There is also a study of design concepts which leads to a report for external assessment and the chance to design and build a database.

Pathway: The course allows access to DGM223 on successful completion.

Course components

- The creation of digital media in a project format
- Creation of a relational database

3	14	\$0	<input checked="" type="checkbox"/>
EXTERNAL CREDITS	INTERNAL CREDITS	DONATION	ENTRY
Course endorsement offered	Literacy credits (15)		Open

L1 | DVC112

DESIGN AND VISUAL COMMUNICATION

Do you want to test your creativity? If you are interested in design, this is the course for you! You'll explore, develop, and resolve your own innovative design ideas in response to architecture (spatial) and product design project briefs. You'll learn to think and sketch like a designer. You'll learn an extensive range of visual communication techniques, including model-making and design software. Excellent time management skills are required.

Pathway: The course allows for entry into Level 2 DVC, apprenticeship or Gateway (part school, part workshop) opportunities.

Course components

- Generating design ideas and communicating them through a variety of methods and media.

3	16	\$15	<input checked="" type="checkbox"/>
EXTERNAL CREDITS	INTERNAL CREDITS	DONATION	ENTRY
Course endorsement offered	Literacy and numeracy credits		Open

L1 | GBC110

GENERAL BUSINESS COMPUTING

This course offers an all-round computing experience. The course is built on major programs used in business such as word processing, spread sheets, desktop publishing and so on. There is also graphics, working with sound and a little coding to give a complete selection of possibilities. The varied nature of the units reflects the exciting nature of the course.

Pathway: The course allows access to GBC220

FURNITURE AND CABINET MAKING

This course is aimed at students who enjoy, or feel they would enjoy, working in a workshop environment producing pieces of timber furniture from working drawings. It follows a traditional apprenticeship-style approach. You will gain skills in using woodworking, hand and power tools, as well as processes and materials knowledge. This course is also industry recognised.

Pathway: The course leads to a range of possible industry apprenticeship schemes

Course components

- The correct and safe use of hand and power tools, and the construction of furniture pieces

0	17	\$40	<input checked="" type="checkbox"/>
EXTERNAL CREDITS	INTERNAL CREDITS	DONATION	ENTRY
Nil	Maximum		Open

L1 | FTE112

FOOD TECHNOLOGY

You will develop your own ideas and skills through cooking, enquiry, and food science. The course meets the needs of any student who is interested in the design and development of food products.

Pathway: This course leads to FTE223.

Course components

- Developing design ideas
- Working with stakeholders
- Product development
- Selection of materials based on function and food science

4	16	\$50	<input checked="" type="checkbox"/>
EXTERNAL CREDITS	INTERNAL CREDITS	DONATION	ENTRY
Course endorsement offered. Literacy credits (4)			Open

L1 | HOS112

HOSPITALITY

This course is an introduction to the skills required to work in a commercial kitchen environment.

Pathway: HOS223

Course components:

- Ingredient knowledge and associated cookery methods
- Food preparation skills
- Food safety and hygiene

0	15	\$0	<input checked="" type="checkbox"/>
	INTERNAL CREDITS	DONATION	ENTRY

Course endorsement offered; Literacy	Literacy credits		14 credits from the DGM112 course

L2 | MEG222 MECHANICAL ENGINEERING

This course is for you if you wish to develop your knowledge and skills in a mostly metal based workshop environment. The course is delivered through engineering projects. It is particularly suitable for you if you are interested in engineering-related careers as it offers a well-balanced practically orientated course. Health and Safety in the workplace take a high priority and good attendance is expected to complete these elements of the course in particular.

Pathway: The course allows a pathway to higher level qualifications, apprenticeship or Gateway (part school, part workshop) opportunities.

Course components

- A collection of making engineering projects from technical plans that expands your skill set and knowledge.

0	18	\$0	<input checked="" type="checkbox"/>
EXTERNAL CREDITS	INTERNAL CREDITS	DONATION	ENTRY
Nil	Maximum	Nil	Successful completion of course MEG 112 and brief interview with HoF/TiC

L2 | CSC223 COMPUTER SCIENCE

This course is for you if you are interested in computer science. The course covers the design and development process of a software project. This includes looking at user implications such as usability and functionality. You will learn to program in Java and will work on a software project of your own choosing. We will also cover an advanced topic in computer science such as Artificial Intelligence or encryption.

Pathway: The level 3 Computer Science course

Course components

- We focus on planning, coding and program development

3	12	\$0	<input checked="" type="checkbox"/>
EXTERNAL CREDITS	INTERNAL CREDITS	DONATION	ENTRY
Maximum Course endorsement offered	Literacy credits (10)		9 credits from CSC112 or by consultation

L2 | GBC220

GENERAL BUSINESS COMPUTING

This course develops the all-round computing experience from GBC110. There is a wide selection of programs studied and some more advanced features will be used, appropriate to Level 2. Word processing is used and includes typing. Spreadsheets, Desktop Publishing and Presentations are all present along with asset programs such as Photoshop and Illustrator.

Pathway: Possible Weltec and Polytech courses, office and admin employment

Course components

- A range of unit standards address the Level 2 outcomes in each of the applications studied

0	16	\$0	☑
EXTERNAL CREDITS Nil	INTERNAL CREDITS Maximum	DONATION	ENTRY Successful completion of the GBC110 course or by negotiation

L2 | HOS223

HOSPITALITY

In this course, you will be developing the cookery and food service skills required for the hospitality industry. You will have the opportunity to enter a range of cookery competitions and further develop skills through catering for a variety of functions.

Pathway: HOS334, further training at polytechnic, an apprenticeship or work in the food service industry.

Course components

- Food safety in a food business
- Cook food by grilling, baking, braising and stewing
- Provide table service in a commercial hospitality environment.

0	16	\$0	☑
EXTERNAL CREDITS Maximum	INTERNAL CREDITS Maximum	DONATION	ENTRY Open

L2 | DVC223

DESIGN AND VISUAL COMMUNICATION

Take your creativity to another level! If you have an interest in design and drawing, this is the course for you. You'll continue to hone your creative skills in response to challenging architecture (spatial) and product design project briefs. You'll learn to think and sketch like a designer. You'll extend your visual communication skills in areas such as design drawing, model-making, and use of design software. Excellent time management skills are required.

Pathway: The course allows for entry into Level 3 DVC. Further pathways include Architecture, Graphic Design, Product Design, Engineering, etc at University; Technical courses at diploma level.

Course components

- Generating design ideas and communicating them through a variety of methods and media.

3	15	\$15	☑
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Literacy credits (9)	DONATION	ENTRY 18 credits from DVC112

L2 | FPT223

FASHION

This course has a practical focus on making and developing skills in fashion design around own ideas. Making garments, screenprinting, wearable art, fashion illustration, and visits to different fashion businesses will be explored.

Pathway: The course leads to FPT335

Course components

- Develop skills in garment making
- Develop creative thinking and design skills
- Create a fashion design portfolio
- Develop awareness of fashion and design history

3	13	\$30	☑
EXTERNAL CREDITS Course endorsement offered	INTERNAL CREDITS Maximum	DONATION For practical components towards projects	ENTRY Recommended previous sewing experience.

L2 | BAR223

BARISTA SKILLS

This course offers you the opportunity to gain a certificate in barista skills. This is a full year course and covers theory of coffee as well as practical barista skills. You will have the opportunity to learn the mechanics of an espresso machine. Apart from class time, you will have to commit to sharing barista duties over lunch times and some school events.

Pathway: Employment as a barista – full or part time

Course components

- Use of espresso machine
- Preparation and presentation of coffee
- Machine maintenance

0	18	\$0	☑
EXTERNAL CREDITS	INTERNAL CREDITS	DONATION	ENTRY
Nil	10 at Level 2 and 8 at Level 3		Open

L2 | FTE223

FOOD TECHNOLOGY

Develop your cooking skills and knowledge, building on Level 1 whilst engaging in product development using your ideas, creative problem solving skills and food science.

Pathway: The course leads to FTE335.

Course components

- Quality control and testing in food processing.
- Social and technical considerations in food product design.
- Food science in the selection of ingredients.

Students have the opportunity to do an individual CREST project by negotiation.

4	16	\$50	☑

BEYOND WELLINGTON HIGH

If you are 16 years old, and ready to progress from school directly on to a career-focused pathway, Wellington High can help you make that transition. We have assisted many young people to join trades and employment courses at the following Wellington education centres:

CAPITAL TRAINING | <http://www.capitaltraining.co.nz/>

Capital Training is a lower North Island-based, NZQA accredited, private training establishment (PTE) offering a wide spectrum of courses and qualifications to prepare you for the modern workplace. They provide a range of youth guarantee (fees free) courses in retail, business administration, computing, hospitality and construction. They have training centres in Lambton Quay, Upper Hutt, Lower Hutt, Paraparaumu, Waipukurau and Otaki, as well as providing in-work training nationwide.

ELITE - School of beauty and Spa | www.elitebeautyschool.co.nz/77/wellington-campus/

Make Up Artistry (L3), Beauty (L4) and Professional Face, Body and Spa Therapies (L5)

The Learning Connexion | <https://www.tlc.ac.nz/>

A school of Creativity and Art offering a Certificate, Diploma or Advanced Diploma in Creativity (L3-6). Specialist areas include: 3D, Design, Drawing, Painting, Photography, Computer Graphics.

New Zealand Institute of Fashion Technology | <http://www.nzfashiontech.ac.nz>

NZ Fashion Tech is New Zealand's leading educator in the fashion and sewn products industries. It is an award winning fashion and garment technology college, registered and accredited with the NZ Qualifications Authority (NZQA). NZ Fashion Tech is considered to be one of the best practical technical trainers to the industry in the country. Courses include: L3 Certificate in Fashion Technology, L4 Certificate in Pattern Design and an L5 Diploma in Fashion Technology.

NZIS — New Zealand Institute of Sport | <https://www.nzis.co.nz>

The New Zealand Institute of Sport (NZIS) provides tertiary level education for those interested in a career in the Sport, Fitness and Recreation industry. Courses have been developed to reflect the rapidly expanding and changing needs of this growing industry. Courses include: foundation sport courses, Personal Training and Pre-Police certificates. These act as a pathway to higher level qualifications. Students are also supported with the tools to enhance their own sporting performance.

NZCM – New Zealand College of Massage

<https://www.massagecollege.ac.nz/contact-us/our-campuses/wellington-campus>

The NZCM is part of the group of private providers under the umbrella of the New Education Group – NZIS is also part of this group. Based at the Wellington Railway Station, they offer courses – L4 Certificate in Massage, L5 Diploma in Wellness and Relaxation Massage, L6 Diploma in Clinical Massage and an L7 Degree in Health Studies (Neuromuscular Therapy). They also offer some short courses/night classes.

NZMA – New Zealand Management Academies Ltd

NZMA is part of New Education Group, a provider of quality education services. NZQA has ranked NZMA a category 1 provider: their highest ranking. All campuses are fully equipped with purpose-built, top-of-the-line facilities. From bars, cafes and commercial kitchens, to retail shops, live contact centre suites and construction workshops – our realistic workplace training environments will get you work-ready quicker. Courses in a wide-range of vocations are available.

NZST School of Tourism | <https://nzschooloftourism.co.nz>

The NZST is a national NZQA approved organisation with a strong school in Wellington offering a wide range of programmes and qualifications that get students work ready. Courses range from L2 and L3 Certificate course to L4-6 Diplomas and an L7 degree course in International Tourism and Hotel Management. Specialist areas of study include: Tourism and Hospitality, Travel and Airline industry travel agents, tour guides, travel operations, flight attendants – Hotels/resorts/cruise ships, Hotel and hospitality Management, Tourism and travel management, Aviation and Tourism management.

NZ Defence Force | <http://www.nzdf.mil.nz/>
