Course with features to note

Workshop based courses

- **SON223/334 Sonic Arts**

These courses now have their own paths, the L2 of the SON223 leads to L3 in SON334

- **ELT223 to 335 Electronics**

A mixture of practical and technical. Industry ETITO standards are offered at Level 3 on this combined group course.

- **Computer networking**

A course that focuses on hardware and network creation and maintenance. A L2 computing course needs to have been undertaken or be in progress.
