Whitireia & WelTec - Mid-Year Programmes

Whitireia and WelTec offer students a supported transition into tertiary study. They have options for students still attending school and those looking to leave and further their education. If school is not for you, we have options depending on your skills and qualifications.

Our classes are similar in size to school so you can get to know your tutor and classmates. With fee-free options and a supported learning environment, we offer a pathway for all students.
