

Whānau Reflection Sheet

This is a compulsory part of the enrolment application for Wellington High School (WHS). The information you give here will assist us to make the transition into WHS as smooth as possible.

Student Name:	
What are your child's strengths?	What are their sporting and cultural interests?
Is there anything about your child's wellbeing you'd like us to be aware of so we can support them?	Has attendance ever been an issue for your child and if so, what have been the barriers for them?
What does your child find most challenging at school?	Where possible, what specific supports or strategies would you ideally like to see in place to help your child feel safe, settled, and successful at school?
Do you have any worries about your child starting at WHS?	Has your child previously received support (e.g. through a counsellor, CAMHS, Oranga Tamariki, Police Youth Aid, etc)? If so, what kinds of support have been helpful?
Is there anything else you would like us to know about your child?	Who is the best person from your child's previous school to connect with for information?
